Quality Assurance

All our paving is wet cast and hand made
using the best quality materials that are
Available to us. All our products are
individually checked before they are dis-
patched to you .

Colour shading and weathering of our pav-
ing will vary slightly due to the weather

conditions during the curing period after
manufacturing. This is totally beyond our
control as all our paving are stored outside
and are exposed to all weather conditions
before sale. So please check before you
purchase as what you see is what you
will receive.
